

## Computer Keyboard

1. Color the space bar blue.
2. Color the right arrow green.
3. Color the up arrow yellow.
4. Color the down arrow red.
5. Color the left arrow orange.
6. Color the Enter key purple.
7. Color the Shift keys brown.
8. Color the backspace pink.

*\*Then, pick your favorite color and draw STARS on the keys that you would use to type the letters in your first name!*

## TIME SAVERS

Directions: Find and press each key shown in the left column and record what happens in the right column.

What does ___ do?	It makes...
Tab	
Delete	
Backspace	
Home	
End	
Caps Lock	

Highlight something and then start typing. What happens? Why might this be useful?
